## **The Goose Valley HOA Tree Project**

Dear Homeowners,

We received positive feedback about our Spring newsletter (thank you very much!) and in particular there were people who have shown interest in donating a tree to enhance our lovely environment at Goose Valley.

We have looked into this interest item and would like to share with you the various types of trees that are recommended for our estate, and the costs thereof.

*Waterberry*

*Wild Plum*

*Cape Beech*

*Natal Mahogany*

*Yellowwood*

These trees are available from Simply Green Nursery at a cost of:

- ✚ R182.40 for 20 lt bags
- ✚ R627.00 for the more mature ones of 50 lt bags

A plaque providing the name/s of the donor will be placed at the tree in thanking you for your kind donation. So here is what you need to do if you would like to participate:

- ✚ Choose your tree and size

- ✚ Send proof of payment, your tree choice and your details to the HOA office at [accounts@goosevalleyhoa.com](mailto:accounts@goosevalleyhoa.com), [admin@goosevalleyhoa.com](mailto:admin@goosevalleyhoa.com)

- ✚ Once actioned, we will send you a photograph of your tree!
